OF

RECONNAISSANCE ENERGY AFRICA LTD.

TO BE HELD ON AUGUST 30, 2023

Dated: JULY 17, 2023

RECONNAISSANCE ENERGY AFRICA LTD.

NOTICE OF ANNUAL GENERAL AND SPECIAL MEETING OF SHAREHOLDERS

NOTICE IS HEREBY GIVEN that the annual general and special meeting (the “**Meeting**”) of the shareholders of Reconnaissance Energy Africa Ltd. (“**ReconAfrica**” or the “**Corporation**”) will be held as a virtual meeting on Wednesday, August 30, 2023 at 10:00 a.m. (Pacific Daylight Time) for the following purposes:

1. to receive and consider the audited consolidated financial statements of the Corporation for the financial year ended March 31, 2023 and the report of the auditor thereon;
2. to elect the directors of the Corporation for the ensuing year;
3. to appoint Davidson & Company LLP as auditor of the Corporation for the ensuing year and to authorize the directors to fix their remuneration;
4. to consider and, if deemed appropriate, to pass, with or without variation, an ordinary resolution to ratify, confirm and approve the Stock Option Plan of the Corporation, as more fully described in the accompanying management information circular; and
5. to transact such other business as may properly come before the Meeting or any adjournment or postponement thereof.

Specific details of the matters proposed to be put before the Meeting are set forth in the management information circular dated July 17, 2023 (the “**Circular**”). Shareholders are reminded to review the Circular before voting.

The Corporation has adopted an online virtual Meeting platform and we encourage all of our shareholders to participate in the Meeting using this online platform. All shareholders participating in our online virtual Meeting platform will have an equal opportunity to participate in the Meeting online, regardless of their geographic location. They will be able to listen to the Meeting live, and for registered shareholders or proxyholders (including non-registered shareholders who have appointed themselves as proxyholder), submit votes in real time. See “Participating and Voting at the Meeting” beginning on page 3 of the Circular for details on how to access and participate at the virtual Meeting.

The Board of Directors of the Corporation (the “**Board**”) has, by resolution, fixed the close of business on July 17, 2023 as the record date (the “**Record Date**”), for the determination of the registered holders of common shares entitled to receive notice of, and to vote at, the Meeting and any adjournment or postponement thereof. Only shareholders whose names have been entered in the register of shareholders and duly appointed proxyholders as of the close of business on the Record Date will be entitled to vote at the Meeting and any adjournment or postponement thereof. Just as they would be at an in-person meeting, registered shareholders and duly appointed proxyholders will be able to attend the virtual Meeting, submit questions online and vote at the Meeting.

Non-registered shareholders (being shareholders who beneficially own shares that are registered in the name of an intermediary such as a bank, trust company, securities broker or other nominee, or in the name of a depositary of which the intermediary is a participant) who have not duly appointed themselves as proxyholder will be able to attend the Meeting online as guests, but guests will not be able to vote or ask questions at the Meeting.

In order to streamline the virtual meeting process, the Corporation requests that all shareholders who will not be attending the virtual Meeting complete, date and sign the form of proxy contained in the Notice Package (as defined herein) (in the return envelope provided for that purpose), or, alternatively, to vote by telephone, or over the internet, in each case in accordance with the instructions set out in the Notice Package. The completed proxy form must be deposited at the office of Odyssey Trust Company, Trader’s Bank Building, 702, 67 Yonge Street, Toronto, ON, M5E 1J8, by mail, or the proxy vote must otherwise be registered in accordance with the instructions set forth in the Notice Package. Non-registered shareholders who receive the proxy-related materials through their broker or other intermediary should complete and send the form of proxy or voting instruction form delivered in the Notice Package in accordance with the instructions provided by their broker or intermediary. The Board has, by resolution, fixed 10:00 a.m. (Pacific Daylight time) on August 28, 2023, or no later than 48 hours before the time of any adjourned or postponed Meeting (excluding Saturdays, Sundays and holidays), as the time before which proxies to be used or acted upon at the Meeting or any adjournment or postponement thereof must be deposited with the Corporation’s transfer agent.

As described in the notice-and-access notification mailed to shareholders, the Corporation is using the notice-and-access provisions (“**Notice-and-Access**”) under National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 – *Continuous Disclosure Obligations* to distribute the Notice of Meeting and Circular to shareholders. Notice-and-Access allows the Corporation to post electronic versions of its proxy-related materials on SEDAR and on the Corporation’s website, rather than mailing paper copies to shareholders. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and it will also reduce the Corporation’s printing and mailing costs. Note that shareholders still have the right to request paper copies of the proxy-related materials posted online by the Corporation under Notice-and-Access if they so choose.

The Notice of Meeting, Circular and other proxy-related materials are available under the Corporation’s profile on SEDAR at www.sedar.com and on the Corporation’s website at www.reconafrika.com. As noted above, the Corporation will provide to any shareholder, free of charge, a paper copy of the Notice of Meeting and Circular upon request to the Corporation at 1-877-631-1160 or by email at admin@reconafrika.com up to one year from the date the Circular is filed on SEDAR. Shareholders who wish to receive a paper copy of the Notice of Meeting and Circular in advance of the Meeting should make such request to the Corporation by no later than the close of business on August 17, 2023, in order to allow reasonable time to receive and review the Notice of Meeting and Circular prior to the proxy deadline of 10:00 a.m. (Pacific Daylight time) on August 28, 2023. The Notice of Meeting and Circular will be sent to shareholders within three business days of their request if such request is made prior to the date of the Meeting. Following the Meeting, the Circular will be sent to such shareholders within 10 days of their request.

Shareholders will receive a paper copy of a notice package (the “**Notice Package**”) under Notice-and-Access via pre-paid mail containing: (i) a notification regarding the Corporation’s use of Notice-and-Access and how the proxy-related materials may be obtained, (ii) a form of proxy (if you are a registered shareholder) or a voting instruction form (if you are a non-registered shareholder), and (iii) a supplemental mailing list return card to elect to receive paper copies of the Corporation’s financial statements and management’s discussion and analysis.

The audited annual consolidated financial statements (the “**Annual Financial Statements**”) and management’s discussion and analysis (“**MD&A**”) of the Corporation for the financial year ended March 31, 2023 will be mailed to those shareholders who have requested to receive them by indicating (where marked) on the form of proxy or voting instruction form, as applicable, or through completing the supplemental mailing list return card distributed to shareholders in connection with the Corporation’s 2022 Annual and Special Meeting of Shareholders. The Annual Financial Statements and MD&A are available under the Corporation’s profile on SEDAR at www.sedar.com and on the Corporation’s website at www.reconafrika.com. Shareholders may also request paper copies of the Annual Financial Statements and MD&A, free of charge, by calling 1-877-631-1160 or via email at admin@reconafrika.com.

DATED at Vancouver, British Columbia, this 17th day of July, 2023.

Directors

MANAGEMENT INFORMATION CIRCULAR

This management information circular (the “**Circular**”) has been prepared in connection with the solicitation of proxies by the management of Reconnaissance Energy Africa Ltd. (“**ReconAfrica**” or the “**Corporation**”) for use at the annual general and special meeting (the “**Meeting**”) of holders of common shares of ReconAfrica (the “**Common Shares**”) to be held as a virtual meeting on Wednesday, August 30, 2023 at the time and place set out in the accompanying notice of Meeting (the “**Notice**”). References in this Circular to the Meeting include any adjournment or postponement thereof.

We have adopted an online virtual Meeting platform and we encourage all of our shareholders to participate in the Meeting using this online platform. All shareholders participating in our online virtual Meeting platform will have an equal opportunity to participate in the Meeting online, regardless of their geographic location. They will be able to listen to the Meeting live, and for registered shareholders or proxyholders (including non-registered shareholders who have appointed themselves as proxyholder), submit votes in real time. See “Participating and Voting at the Meeting” beginning on page 3 of this Circular for details on how to access and participate at the Meeting.

Registered shareholders and duly appointed proxyholders will be able to attend the virtual Meeting, submit questions online and vote at the Meeting. Non-registered shareholders (being shareholders who beneficially own shares that are registered in the name of an intermediary such as a bank, trust company, securities broker or other nominee, or in the name of a depository of which the intermediary is a participant) who have not duly appointed themselves as proxyholder will be able to attend the Meeting online as guests, but guests will not be able to vote or ask questions at the Meeting.

Unless otherwise stated, the information contained in this Circular is as of July 17, 2023 and all dollar amounts referenced herein are expressed in Canadian dollars.

GENERAL PROXY MATTERS

Solicitation of Proxies

Proxies may be solicited by mail, telephone, email, facsimile or other electronic means. Proxies may be solicited personally by directors or regular employees of the Corporation. The cost of solicitation of proxies will be paid by the Corporation.

Record Date and Shares Entitled to Vote

The board of directors of ReconAfrica (the “**Board**”) has fixed the close of business on July 17, 2023 as the record date for the purposes of determining shareholders entitled to receive notice of the Meeting and vote at the Meeting (the “**Record Date**”).

Only shareholders of record as of the Record Date, who either attend the Meeting personally or complete and deliver a form of proxy in the manner and subject to the provisions described below, will be entitled to vote or to have their Common Shares voted at the Meeting.

How to Vote

How you can vote depends on whether you are a registered shareholder or a Beneficial Shareholder (as defined herein). The different voting options are summarized below, and more details are provided in the following sections. Please follow the appropriate voting option based on whether you are a registered shareholder or a Beneficial Shareholder.

You are a registered shareholder if your name appears on your share certificate, or your shares are registered in your name with Odyssey Trust Company (“**Odyssey**”), the Corporation’s registrar and transfer agent. You are a Beneficial Shareholder if you do not hold your Common Shares in your own name.

Voting by Proxy

Registered Shareholders

Voting by proxy is the easiest way to vote. By completing and returning your form of proxy, you are authorizing your proxyholder to vote your Common Shares at the Meeting, or withhold your vote, in accordance with your instructions.

On any ballot, your proxyholder must vote your Common Shares or withhold your vote according to your instructions and if you specify a choice on a matter, your Common Shares will be voted accordingly.

Mark Gerlitz, a director of the Corporation, or failing him, Carlos Escribano, Chief Financial Officer of the Corporation, or failing him, Michelle Borthwick, Corporate Secretary of the Corporation, have agreed to act as the ReconAfrica proxyholders. You have the right to appoint someone other than the persons designated in the form of proxy to attend and act on your behalf at the Meeting by printing the name of the person you want in the blank space provided. This person does not need to be a shareholder.

In respect of any matter for which a choice is not specified, the ReconAfrica proxyholders will vote in favour of each of the items of business currently proposed for the Meeting.

The form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice and with respect to other matters which may properly come before the Meeting. At the time of the printing of this Circular, the management of ReconAfrica knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice. **However, if any other matters which at present are not known to the management of ReconAfrica should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.**

A proxy will not be valid unless it is signed by the registered shareholder, or by the registered shareholder's attorney with proof that they are authorized to sign. If you represent a registered shareholder that is a corporation, your proxy should have the seal of the corporation, if applicable, and must be executed by an officer or an attorney, authorized in writing. If you execute a proxy as an attorney for an individual registered shareholder, or as an officer or attorney of a registered shareholder that is a corporation, you must include the original or notarized copy of the written authorization for the officer or attorney with your proxy form.

If you are voting by proxy, send your completed proxy to Odyssey by mail to Proxy Department, Trader's Bank Building, 702, 67 Yonge St. Toronto, ON, M5E 1J8, or by toll free fax at 1-800-517-4553 in North America. You may also vote on the internet by following the instructions set out in the form of proxy. Odyssey must receive your proxy by 10:00 a.m. (Pacific Daylight time) on August 28, 2022, or 48 hours before the time the Meeting is reconvened if it is postponed or adjourned (the "**Proxy Deadline**"). The Chair of the Meeting has the discretion to accept late proxies.

If you appoint someone other than the ReconAfrica proxyholders to be your proxyholder, that person must attend and vote at the Meeting for your vote to be counted. If you are appointing someone other than the ReconAfrica proxyholders as your proxy, you must register them with Odyssey before the Proxy Deadline. If you do not register your proxyholder before the Proxy Deadline, they will not receive a control number to participate at the Meeting. See "Appointment of Third-Party as Proxy" below for additional information on how registered shareholders can appoint someone other than the ReconAfrica proxyholders as their proxyholder and register such proxyholder with Odyssey.

Beneficial Shareholders

The information set forth in this section is of significant importance to many shareholders as a substantial number of shareholders do not hold Common Shares in their own name. Shareholders who do not hold their Common Shares in their own name (referred to in this Circular as "**Beneficial Shareholders**") should note that only proxies deposited by shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a shareholder by a broker, then, in almost all cases, those Common Shares will not be registered in the shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Beneficial Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). The Common Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents are prohibited from voting shares for the broker's clients. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person.

Applicable regulatory rules require intermediaries/brokers to seek voting instructions in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction

form provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the Common Shares on how to vote such shares on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications Corporation (“**Broadridge**”). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote Common Shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such Common Shares are voted.**

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting Common Shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a proxyholder for a shareholder and vote Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their Common Shares as a proxyholder.

If you are a Beneficial Shareholder and wish to vote at the Meeting, you have to insert your own name in the blank space provided on the form of proxy or voting instruction form sent to you by your intermediary/broker, follow the applicable instructions provided by your intermediary/broker and register yourself as your proxyholder, as described below under the heading “Appointment of Third-Party as Proxy”.

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities that they own (“**OBOs**” for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (“**NOBOs**” for Non-Objecting Beneficial Owners).

ReconAfrica is not sending proxy-related materials directly to NOBOs in connection with the Meeting, but rather has distributed copies of the Notice Package (as defined herein) using Notice-and-Access (as defined herein) to intermediaries/brokers for distribution to NOBOs.

The Corporation will not pay for an intermediary to deliver proxy related materials and voting instruction forms to OBOs. OBOs have objected to their intermediary disclosing ownership information about themselves to the Corporation. Accordingly, OBOs will not receive the materials unless their intermediary assumes the costs of delivery.

Participating and Voting at the Meeting

We are holding the Meeting in a virtual only format and as such all shareholders will have an equal opportunity to participate in the Meeting online, regardless of their geographic location.

Only registered shareholders and duly appointed proxyholders as of the close of business on the Record Date will be entitled to vote at the Meeting and any adjournment or postponement thereof. Just as they would be at an in-person meeting, registered shareholders and duly appointed proxyholders will be able to attend the virtual Meeting, submit questions online and vote, all in real time, provided they are connected to the internet and comply with all of the requirements set out in this Circular. A registered shareholder or a Beneficial Shareholder who has appointed themselves or a third-party proxyholder to represent them at the Meeting, will appear on a list of shareholders prepared by Odyssey. To have their Common Shares voted at the Meeting, each registered shareholder or duly appointed proxyholder will be required to enter their control number and password (recon2023) at <https://web.lumiagm.com/238270751> prior to the start of the Meeting. See below for more details on how registered shareholders or duly appointed proxyholders can receive their control number prior to the start of the Meeting and vote their Common Shares at the Meeting.

Beneficial Shareholders who have not duly appointed themselves as proxyholders may attend the Meeting as guests. Guests will be able to listen to the Meeting but will not be able to vote or ask questions at the Meeting. This is because Odyssey does not have a record of Beneficial Shareholders of the Corporation and, as a result, will have no knowledge of such Beneficial Shareholder’s shareholdings or entitlement to vote, unless the Beneficial Shareholder appoints itself as proxyholder.

If you are a Beneficial Shareholder and wish to vote at the Meeting, you must (i) appoint yourself as proxyholder by inserting your own name in the space provided for appointing a proxyholder on the voting instruction form sent to you and follow all of the applicable instructions, including the deadline, provided by the intermediary/broker; and (ii) register with Odyssey. See “Appointment of Third-Party as Proxy” below for additional information on how Beneficial Shareholders can appoint themselves as proxyholder.

In order to streamline the virtual Meeting process, the Corporation encourages shareholders to vote in advance of the Meeting using the form of proxy or voting instruction form, as applicable, mailed to them.

Please read the following instructions carefully regarding attendance at, submission of proxies for, and participation and voting at the Meeting.

Shareholders and duly appointed proxyholders will have the opportunity to participate at the Meeting via live webcast starting at 10:00 am (Pacific Daylight time) on August 30, 2023. Shareholders can participate using their smartphone, tablet or computer. Once logged in, shareholders and duly appointed proxyholders will be able to listen to a live webcast of the Meeting, ask questions online and submit votes in real time.

To participate online, registered shareholders must have a valid 12-digit control number and duly appointed proxyholders must be registered with, and have received a control number for the Meeting from, Odyssey.

 - Duly appointed proxyholders who have registered with Odyssey in advance of the Meeting as described in “Appointment of Third-Party as Proxy” below, will be provided with a control number by email from Odyssey after the Proxy Deadline has passed.

To ask questions, access the “Q&A” tab, type your questions into the box at the bottom of the screen and then press the “Send” button. Only registered shareholders and duly appointed proxyholders who have registered with Odyssey in advance of the Meeting will be entitled to submit questions and vote at the Meeting. Beneficial Shareholders who have not appointed themselves as proxyholders may attend the Meeting by logging in to the Meeting at <https://web.lumiagm.com/238270751>, clicking on the “Guest” link and completing the online form, including entering your name and email address. While Beneficial Shareholder may attend the Meeting, they will not be able to vote or submit questions at the Meeting. If you are a Beneficial Shareholder that wishes to attend and participate at the Meeting, please follow the instructions above and under “Appointment of Third-Party as Proxy” for how you may appoint yourself as proxyholder and register with Odyssey. Failure to register the proxyholder with Odyssey will result in the proxyholder not receiving a

control number to participate in the Meeting and the proxyholder will not be able to attend and vote at the Meeting.

If you are a registered shareholder and use the 12-digit control number on your form of proxy to login to the Meeting, you will revoke all previously submitted proxies and will be able to vote by ballot on the matters put forth at the Meeting. If you do not wish to revoke all previously submitted proxies, do not enter your control number and instead join the meeting as a guest.

You will need the latest version of Chrome, Safari, Edge or Firefox to access virtual meeting platform. Internet Explorer, which is not a supported browser. Please ensure your browser is compatible.

If you attend the Meeting, it is important that you remain connected to the internet for the duration of the Meeting in order to vote when balloting commences. It is your responsibility to ensure that you remain connected. You will be able to log into the Meeting up to 30 minutes prior to the start of the Meeting. Shareholders and duly appointed proxyholders are encouraged to access the Meeting 15 minutes before the Meeting starts to allow ample time for the virtual log-in procedures prior to the start of the Meeting.

Appointment of Third-Party as Proxy

Shareholders who wish to appoint themselves or a third-party proxyholder to represent them at the Meeting must submit their form of proxy or voting instruction form, as applicable, prior to registering the proxyholder. Registering the proxyholder is an additional step once the shareholder has submitted its proxy or voting instruction form, as applicable. To register a proxyholder, shareholders must send an email to Odyssey at appointee@odysseytrust.com by the Proxy Deadline and provide Odyssey with the proxyholder's contact information and including the amount of shares appointed, along with the name of the registered holder or the intermediary that their shares are held by, so that Odyssey may provide the proxyholder with a control number by email. **Failure to register the proxyholder will result in the proxyholder not receiving a control number to participate in the Meeting and the proxyholder will not be able to attend and vote at the Meeting.**

United States Beneficial Shareholders

To attend and vote at the Meeting, you must first obtain a valid legal proxy from your broker, bank or other agent and then register in advance to attend the Meeting. Follow the instructions from your broker or bank included with these materials, or contact your broker or bank to request a legal proxy form. After first obtaining a valid legal proxy from your broker, bank or other agent, to then register to attend the Meeting, you must submit a copy of your valid legal proxy to Odyssey. Requests for registration should be directed to the Corporation's transfer agent, Odyssey by mail at Trader's Bank Building, 702, 67 Yonge Str. Toronto, ON M5E 1J8, or by email at proxy@odysseytrust.com.

Requests for registration must be labeled as "Legal Proxy" and be received no later than the Proxy Deadline. You will receive a confirmation of your registration by email after we receive your registration materials. You may attend the Meeting and vote during the Meeting. Please note that you are required to register your appointment by sending an email to Odyssey at appointee@odysseytrust.com.

Changing Your Vote

Registered Shareholders

You can revoke your proxy by sending a new completed proxy form with a later date, provided that such new completed proxy form is received by Odyssey by the Proxy Deadline. You can also revoke a vote you made by proxy by voting again by internet in accordance with the instructions set out in the form of proxy before the Proxy Deadline, voting during the Meeting by logging into the Meeting and following the procedures described above, or in any other manner permitted by law.

You can also revoke your proxy by sending a written note (the "**Revocation Notice**") signed by you or your attorney if he or she has your written authorization. If you represent a registered shareholder that is a corporation, your Revocation Notice must have the seal of that corporation, if applicable, and must be executed by an officer or an attorney, authorized in writing. The written authorization must accompany the Revocation Notice.

The Corporation must receive the Revocation Notice any time up to and including the last business day before the day of the Meeting or the day the Meeting is reconvened if it is postponed or adjourned. Please send the Revocation Notice to the Corporation's registered office at: Cassels Brock & Blackwell LLP, re:

Reconnaissance Energy Africa Ltd., Suite 2200 – 885 West Georgia Street, Vancouver, British Columbia, V6C 3E8.

If you are a registered shareholder and use the 12-digit control number on your form of proxy to login to the Meeting, you will revoke all previously submitted proxies and will be able to vote by ballot on the matters put forth at the Meeting. If you do not wish to revoke all previously submitted proxies, do not enter your control number and instead join the meeting as a guest.

Beneficial Shareholders

Only registered shareholders have the right to revoke a proxy. Beneficial shareholders can change their vote by contacting your intermediary right away so they have enough time before the Meeting to arrange to change the vote and, if necessary, revoke the proxy.

Notice-and-Access

The Corporation is availing itself of the “**Notice-and-Access**” provisions under National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 – *Continuous Disclosure Obligations* (“**NI 51-102**”) to distribute its proxy-related materials to shareholders.

Under Notice-and-Access, instead of the Corporation mailing paper copies of the proxy-related materials to shareholders, the materials can be accessed online under the Corporation’s profile on SEDAR at www.sedar.com or on the Corporation’s website at www.reconafrika.com. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and it will also reduce the Corporation’s printing and mailing costs.

Shareholders will receive a paper copy of a notice package (the “**Notice Package**”) under Notice-and-Access via pre-paid mail containing: (i) a notification regarding the Corporation’s use of Notice-and-Access and how the proxy-related materials may be obtained, (ii) a form of proxy (if you are a registered shareholder) or a voting instruction form (if you are a beneficial shareholder), and (iii) if you are a beneficial shareholder, a supplemental mailing list return card to elect to receive paper copies of the Corporation’s financial statements and management’s discussion and analysis (if you are a registered shareholder, the options are listed in the form of proxy).

Shareholders will not receive a paper copy of the Notice of Meeting or Circular unless they contact the Corporation, at 1-877-631-1160 or by email at admin@reconafrika.com. For shareholders who wish to receive a paper copy of the Circular in advance of the voting deadline for the Meeting, requests must be received no later than the close of business on August 9, 2023, in order to allow reasonable time to receive and review the Notice of Meeting and Circular prior to the Proxy Deadline. The Notice of Meeting and Circular will be sent to shareholders within three business days of their request if such request is made prior to the date of the Meeting. Following the Meeting, the Circular will be sent to such shareholders within 10 days of their request. Shareholders with questions about Notice-and-Access may contact the Corporation at 1-877-631-1160 or by email at admin@reconafrika.com.

A simple majority (50% plus 1) of the votes cast at the Meeting is required to approve all items of business at the Meeting.

The authorized share capital of the Corporation consists of an unlimited number of Common Shares without par value, each carrying the right to one vote. As of July 17, 2023, the Record Date, there were a total of 202,328,806 Common Shares issued and outstanding. The Corporation has no other classes of voting securities.

To the knowledge of the directors and executive officers of the Corporation, as of the date of this Circular, no person or company owns, or controls or directs, directly or indirectly, 10% or more of the Corporation’s outstanding Common Shares.

None of the following persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, other than directors and executive officers of the Corporation having an interest in the resolutions regarding the approval of the Corporation's stock option plan as such persons are eligible to participate in such plan:

- (a) any director or executive officer of the Corporation who has held such position at any time since January 1, 2022;

An "informed person" means: (a) a director or executive officer of the Corporation; (b) a director or executive officer of a person or company that is itself an informed person or subsidiary of the Corporation; (c) any person or company who beneficially owns, or controls or directs, directly or indirectly, voting securities of the Corporation or a combination of both, carrying more than 10% of the voting rights attached to all outstanding voting securities of the Corporation other than voting securities held by the person or company as underwriter in the course of a distribution; and (d) the Corporation itself, if it has purchased, redeemed or otherwise acquired any of its shares, for so long as it holds any of its shares.

Appointment and Remuneration of the Auditor

At the Meeting, shareholders will be asked to approve the appointment of Davidson & Company LLP as the independent auditor of the Corporation to hold office until the 2024 annual meeting with remuneration to be approved by the Board. Davidson & Company LLP has been the independent auditor of the Corporation since March 7, 2023 following the resignation of Deloitte LLP.

The resignation of Deloitte LLP and the appointment of Davidson & Company LLP as the Corporation's auditor have been considered and approved by the Audit Committee and the Board. Each of the Corporation, Deloitte LLP and Davidson & Company LLP have confirmed that the report of Deloitte LLP on the Corporation's financial statements for the year ended December 31, 2021 did not express a modified opinion and there have been no "reportable events" within the meaning of section 4.11(1) of NI 51-102. The change of auditor reporting package was filed on November 24, 2022 and March 7, 2023 on the Corporation's SEDAR profile at www.sedar.com and a copy is attached hereto as Schedule "B". The management of the Corporation will recommend at the Meeting to appoint Davidson & Company LLP as auditors of the Corporation for the ensuing year, and to authorize the directors to fix their remuneration.

Unless otherwise indicated, the persons designated as proxyholders in the accompanying form of proxy will vote the Common Shares represented by such form of proxy, properly executed, FOR the appointment of Davidson & Company LLP as the Corporation's independent auditor to hold office until the 2024 annual meeting with remuneration to be approved by the Board.

Re-Approval of Stock Option Plan

At the Meeting, shareholders will be asked to consider and, if deemed appropriate, to pass, with or without variation, a resolution, in the form set out below (the "**Option Plan Resolution**"), subject to such amendments, variations or additions as may be approved at the Meeting, re-approving the Option Plan (as defined herein).

The Board and management recommend the re-approval of the Option Plan.

Effective December 2, 2008, the Corporation adopted a stock option plan dated October 23, 2008, as amended on October 3, 2011, April 20, 2021 and April 22, 2022 (the “**Option Plan**”) which was last approved by shareholders of ReconAfrica at the annual general and special meeting of shareholders held on June 8, 2022. The Option Plan was prepared in accordance with current corporate finance policies of the TSX Venture Exchange (the “**TSXV**”). A copy of the Option Plan is available upon request by any shareholder at no charge, or may be reviewed at the Corporation’s registered office during normal business hours until the date of the Meeting.

The Option Plan is a “rolling” stock option plan which sets the number of Options available for grant by the Corporation at an amount equal to up to a maximum of 10% of the Corporation’s issued and outstanding Common Shares from time to time. Under the TSXV’s corporate finance policies, the Option Plan must be approved by the Corporation’s shareholders on an annual basis. Therefore, shareholders are being asked to approve the Option Plan (with no amendments) at the Meeting.

The purpose of the Option Plan is to promote the profitability and growth of the Corporation by facilitating the efforts of ReconAfrica to attract and retain key individuals. The Option Plan provides an incentive for and encourages ownership of Common Shares by its key individuals so that they may increase their stake in the Corporation and benefit from increases in the value of the Common Shares. Directors, officers, employees and consultants (as such terms are defined in the Option Plan) are eligible to be granted Options under the Option Plan.

Pursuant to the Option Plan:

- (i) the maximum number of Common Shares which may be reserved for issuance under all Options or other security based compensation granted or issued pursuant to the Option Plan and all other Share Compensation Arrangements (as defined in the Option Plan), as applicable, in any 12 month period to any one person shall not exceed five percent (5%) of the number of Common Shares that are issued and outstanding at the time of the applicable grant or issuance of any Option or other security based compensation pursuant to the Option Plan and such other Share Compensation Arrangements, as applicable, unless the Corporation has obtained the requisite disinterested shareholder approval;
- (ii) the maximum number of Common Shares which may be reserved for issuance under all Options or other security based compensation granted or issued pursuant to the Option Plan and all other Share Compensation Arrangements, as applicable, in any 12 month period to any one Consultant shall not exceed two percent (2%) of the number of Common Shares that are issued and outstanding at the time of the applicable grant or issuance of any Option or other security based compensation pursuant to the Option Plan and such other Share Compensation Arrangements, as applicable;
- (iii) the maximum number of Common Shares which may be reserved for issuance under all Options or other security based compensation granted or issued pursuant to the Option Plan and all other Share Compensation Arrangements, as applicable, to insiders, as a group, shall not exceed ten percent (10%) of the number of Common Shares that are issued and outstanding at any point in time, unless the Corporation has obtained the requisite disinterested shareholder approval;
- (iv) the maximum number of Common Shares which may be reserved for issuance under all Options or other security based compensation granted or issued pursuant to the Option Plan and all other Share Compensation Arrangements, as applicable, in any 12 month period to insiders, as a group, shall not exceed ten percent (10%) of the number of Common Shares that are issued and outstanding at the time of the applicable grant or issuance of any Option or other security based compensation pursuant to the Option Plan and such other Share Compensation Arrangements, as applicable, unless the Corporation has obtained the requisite disinterested shareholder approval; and
- (v) the maximum number of Common Shares which may be reserved for issuance under all Options or other security based compensation granted or issued pursuant to the Option Plan and all other Share Compensation Arrangements, as applicable, in any 12 month period to all persons whose role and duties primarily consist of Investor Relations Activities (as such term is defined in the Option Plan) shall not exceed two percent (2%) of the number of Common Shares that are issued and outstanding at the time of the applicable grant or issuance of any Option or security based

compensation pursuant to the Option Plan and such other Share Compensation Arrangements, as applicable.

Subject to the Option Plan and otherwise in compliance with the corporate finance policies of the TSXV, the Board shall determine the manner in which an Option shall vest and become exercisable. Options granted to Eligible Persons (as such term is defined in the Option Plan) performing investor relations activities shall vest over a minimum of 12 months with no more than one-quarter (1/4) of such Options vesting in any three-month period. All Options are non-assignable and non-transferable other than by will or the laws of descent and distribution. Disinterested shareholder approval will be obtained for any reduction in the exercise price of an Option if the participant is an insider of the Corporation at the time of the proposed amendment.

Subject to a minimum exercise price of \$0.05 per Common Share, the exercise price per Common Share for an Option shall be not less than the "Discounted Market Price" as calculated pursuant to the TSXV's corporate finance policies at the date of grant.

Every Option granted under the Option Plan shall have a term not exceeding and shall therefore expire no later than five years after the date of grant (subject to extension where the expiry date falls within a "blackout period"). An Option will be automatically extended past its expiry date if such expiry date falls within a "blackout period" during which the Corporation prohibits participants from exercising their options, subject to the following requirements: (a) the blackout period must (i) be formally imposed by the Corporation pursuant to its internal trading policies; and (ii) expire upon the general disclosure of undisclosed material information; and (b) the automatic extension of an option will not be permitted where the participant or the Corporation is subject to a cease trade order (or similar order under securities laws) in respect of the Corporation's securities.

The Option Plan contains provisions for adjustment in the number of Common Shares or other property issuable on exercise of an Option in the event of a dividend or any recapitalization, amalgamation, subdivision, consolidation, combination or exchange of shares, or other corporate change, corporate transaction, or any other relevant change in or event affecting the Common Shares.

In connection with the exercise of an Option, as a condition to such exercise the Corporation will require the participant to pay to the Corporation an amount as necessary so as to ensure that the Corporation is in compliance with the applicable provisions of any federal, provincial or local laws relating to the withholding of tax or other required deductions relating to the exercise of such Option.

According to the Option Plan, if a participant ceases to be an Eligible Person for any reason whatsoever other than death, then, except as otherwise determined by the Board, each Option held by such participant shall cease to be exercisable 30 days after the date such participant ceases to be an Eligible Person, provided that, with respect to a participant who is an employee of the Corporation, shall mean the date on which the participant gives or receives notice of termination or resignation of employment, or in the event of the participant's death or Disability (as such term is defined in the Option Plan), the date of death or Disability; in each case, without regard to any period of notice, pay in lieu of notice or severance that may follow such date pursuant to the terms of the participant's employment agreement (if any), the applicable employment standards legislation, or the common law (if applicable), and regardless of whether the termination was lawful or unlawful, except as may otherwise be required to meet the minimum standards prescribed by the applicable employment standards legislation (the "**Termination Date**"). If a participant dies prior to otherwise ceasing to be an Eligible Person, each Option held by such participant shall terminate and shall therefore cease to be exercisable no later than 12 months after the date of the participant's death, but only to the extent the Options were by their terms exercisable on the date of death, except as otherwise determined by the Board.

If any portion of an Option is not vested by the Termination Date or the date a participant dies, in the event a participant dies prior to otherwise ceasing to be an Eligible Person, such unvested portion of the Option may not be thereafter exercised by the participant or its legal representative, as the case may be, except as otherwise determined by the Board.

To be effective, the Option Plan Resolution must be approved by not less than a majority of the votes cast by the holders of Common Shares present in person, or represented by proxy, at the Meeting. **Unless otherwise indicated, the persons designated as proxyholders in the accompanying form of proxy will vote the Common Shares represented by such form of proxy, properly executed, FOR the Option Plan Resolution.**

The text of the Option Plan Resolution to be submitted to shareholders at the Meeting is set forth below:

“BE IT RESOLVED THAT:

1. Subject to regulatory approval, the Option Plan be and is hereby ratified, confirmed and approved; and
2. Any director or officer of the Corporation is hereby authorized and directed, acting for, in the name of, and on behalf of, the Corporation, to execute or cause to be executed, and to deliver or cause to be delivered, such other documents and instruments, and to do or cause to be done all such acts and things, as may in the opinion of such director or officer be necessary or desirable to carry out the intent of the foregoing resolution.”

CORPORATE GOVERNANCE

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Corporation’s shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Corporation.

National Policy 58-201 – *Corporate Governance Guidelines* establishes corporate governance guidelines which apply to all public companies (the “**Guidelines**”). National Instrument 58-101 – *Disclosure of Corporate Governance Practices* mandates disclosure of corporate governance practices which disclosure is set out below, in accordance with Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)*.

Directors

A director is independent if he or she has no direct or indirect material relationship with the Corporation that the Board believes could reasonably be perceived to materially interfere with his or her ability to exercise independent judgment. Applicable securities laws set out certain situations where a director is deemed to have a material relationship with the Corporation.

Of the proposed nominees for directors of the Corporation, Mark Gerlitz and Dr. Joseph R. Davis are considered to be independent under applicable securities laws. As disclosed in this Circular, during the financial year ended March 31, 2023, Craig Steinke is not considered to be independent under applicable securities laws as Mr. Steinke serves as the Executive Chairman of the Corporation.

In accordance with the guidelines of the Board, the Board facilitates its exercise of independent supervision over management by ensuring, among other things, that when the Chair of the Board is not an independent director, the Board will appoint a Vice Chair or Lead Director to provide leadership to the independent directors and to ensure that the Board’s agenda will enable it to successfully carry out its duties. In addition, the independent members of the Board hold regular meetings, without the presence of management or any non-independent directors, to discuss and raise issues that they do not wish to discuss with management present. Following the conclusion of such meetings, the Vice-Chair or Lead Director will meet with management and any non-independent directors to discuss the results of such meetings.

Other Directorships

Besides their positions on the Board, none of the directors also serve as directors of any other reporting issuer(s) or reporting issuer equivalent(s).

Ethical Conduct

As part of its responsibility for the stewardship of the Corporation, the Board seeks to foster a culture of ethical conduct by requiring the Corporation to carry out its business in line with high business and moral standards and applicable legal and financial requirements. The Board has formalized this in a written Code of Business Conduct and Ethics (the “**Code**”) which was initially adopted effective as of August 30, 2019 and was most recently amended on April 8, 2022. The Code has been filed with regulators, in accordance with applicable legislation, and is available under the Corporation’s profile on SEDAR at www.sedar.com.

The Board encourages and promotes an overall culture of ethical business conduct by promoting compliance with applicable laws, rules and regulations; providing guidance to employees, consultants, contractors, officers and directors to help them recognize and deal with ethical issues; promoting a culture

of honesty, integrity and accountability; and ensuring awareness of disciplinary action for violations of ethical business conduct.

The Board takes steps to ensure directors exercise independent judgment in considering transactions and agreements in respect of which a director or an employee or consultant of the Corporation has a material interest, which include ensuring that such individuals are familiar with the Code and, in particular, rules concerning reporting conflicts of interest and obtaining direction from the Board (or the Chair of the Board, if applicable), the Corporation's disclosure committee or a member of senior management of the Corporation, as applicable, regarding any potential conflicts of interest. Directors, officers, employees, consultants and contractors are required, on an annual basis, to review the Code and to acknowledge and agreed to abide by the Code and other relevant policies of the Corporation.

The Code provides specific guidelines and policies for dealing with situations that may be encountered in the workforce in order to promote an open and positive work environment. The Code details the Corporation's policies on: confidentiality, fair dealing, safety and health, and business and governmental relations, among other things.

The Code allows directors, officers, employees, consultants and contractors who feel a violation has occurred to report the actual or potential compliance infraction to the CEO or any other senior officer designated from time to time, including the Corporation chief compliance officer or compliance management. In addition, directors, officers, employees, consultants and contractors can also report such actual or potential compliance infraction on a confidential, anonymous basis by emailing the Corporation's dedicated email address for reporting such infractions.

Orientation and Continuing Education

The Board recognizes the importance of ongoing director education and the need for each director to take personal responsibility for this process. The Corporation has not yet developed an official orientation or training program for new directors or a formal continuing education program for existing directors. Nevertheless, new directors will be provided, through discussions and meetings with other directors, officers and employees, with a thorough description of the Corporation's business, properties, assets, operations and strategic plans and objectives. Orientation activities will be tailored to the particular needs and experience of each director and the overall needs of the Board.

Nomination of Directors

The Corporation's governance and nominating committee (the "**Governance and Nominating Committee**"), formerly the corporate governance committee, is responsible for assisting the Board in respect of the nomination of directors and identifying and recommending new candidates for appointment to the Board. In that regard, the Governance and Nominating Committee is also responsible for, among other things, identifying the competencies and skills required for nominees to the Board, with a view to ensuring that the Board is comprised of directors with the necessary skills and experience to facilitate effective decision-making, developing, updating and recommending to the Board for approval, a long-term plan for Board composition and developing recommendations to ensure Board diversity and inclusion. The Governance and Nominating Committee may retain external consultants or advisors to conduct searches for appropriate potential director candidates if necessary.

The Governance and Nominating Committee considers the size of the Board each year when it considers the number of directors to recommend to the Board for election. The criteria for selecting new directors reflects the requirements of the listing standards of the TSXV with respect to independence and the following factors:

- (a) the appropriate size of the Board;
- (b) the needs of the Corporation and the Board with respect to the particular talents and experience of its directors;
- (c) the personal and professional integrity of the candidate;
- (d) the level of education and/or business experience of the candidate;
- (e) the broad-based business acumen of the candidate;
- (f) the level of the candidate's understanding of the Corporation's business and the industry in which it operates and other industries relevant to the Corporation's business;

- (g) the ability and willingness of the candidate to commit adequate time to the Board and committee matters;
- (h) the fit of the individual's skills and personality with those of other directors and potential directors so that the Board is effective, collegial and responsive to the needs of ReconAfrica;
- (i) the candidate's ability to think strategically and a willingness to share ideas; and
- (j) diversity of experiences, expertise and background of the Board as a whole.

Compensation

The Board is responsible for reviewing and approving the compensation of directors and, on the recommendation of the Corporation's human resources and compensation committee (the "**Human Resources and Compensation Committee**"), the CEO and for reviewing the CEO's and the Human Resources and Compensation Committee's recommendations regarding compensation of the other senior executives of the Corporation. Previously, while no formal compensation program or benchmarking was established, given the size and stage of the Corporation, the Board reviewed compensation paid to directors and chief executive officers of companies of similar size and stage of development in the oil and gas industry and determined appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Corporation. During the financial year ended December 31, 2021, the Corporation, with the assistance of a third-party consultant, migrated to a more formal cash compensation program for directors and the CFO. Now, in determining the cash compensation to be paid to directors and the CEO, the Board, in addition to considering appropriate cash compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Corporation, also aims to benchmark total cash compensation paid to directors and the CEO to the median to the ReconAfrica Director Peer Group (as defined herein) and the ReconAfrica Executive Officer Peer Group (as defined herein), as applicable, each of which is comprised of Canadian and international oil and gas companies of similar size and stage of development to the Corporation. In setting the compensation of the CEO, the Human Resources and Compensation Committee and the Board will annually review the performance of the CEO and consider other factors which may have impacted the success of the Corporation in achieving its corporate objectives.

For further details regarding the compensation of directors, as well as details regarding the Corporation's approach to the compensation of the CEO and the CFO, see "Executive Compensation – Oversight and Description of Director and Named Executive Officer Compensation" below.

Board Committees

The Board has established four standing committees to assist it in carrying out its mandate: the Audit Committee, the Governance and Nominating Committee, the Human Resources and Compensation Committee and the Sustainability, Environmental, Health and Safety Committee (as defined herein).

The purpose, function and responsibilities of the Audit Committee is set out in the Audit Committee Charter, a copy of which is attached hereto as Schedule "A".

The purpose of the Governance and Nominating Committee is to provide a focus on governance that will enhance the Corporation's performance, to assess and make recommendations regarding Board effectiveness and to establish and lead the process for identifying, recruiting, appointing, re-appointing and providing ongoing development for directors. The Governance and Nominating Committee meets at least twice a year and at such other times as the chair of the committee shall designate and is responsible for, among other things, reviewing the Board's relationship with management to ensure that the Board is able to function independent of management, recommend nominees for election to the Board and committee appointments, develop and update and recommend to the Board for approval, a long term plan for Board composition, develop recommendations regarding the essential and desired experiences and skills for potential directors, taking into consideration the Board's short and long term succession plan, develop recommendations to ensure Board diversity and inclusion, including what changes, if any, are required to be made to the Corporation's current policies relating to diversity and inclusion on the Board and in executive officer positions, assess the needs to the Board in terms of frequency and location of Board meetings, and review and make recommendations to the Board regarding the Board manual, the Code, the Corporation orientation and training programs for new directors and continuing education program for

existing directors and, in conjunction with the Human Resources and Compensation Committee, the directors' compensation program.

The purpose of the Human Resources and Compensation Committee is to assist the Board in fulfilling its responsibilities relating to human resources and compensation issues and to establish a plan of continuity for the Chief Executive Officer direct reports and to ensure that the Corporation has an executive compensation plan that is both motivational and competitive so that it attracts and retains the caliber of individuals who will drive sustainable profitability and growth for the Corporation. The Human Resources and Compensation Committee meets at least twice a year or more frequently as the committee may deem necessary and is responsible for, among other things, reviewing and recommending the Corporation's compensation philosophy and guidelines to the Board, reviewing, and making recommendations to the Board on matters relating to the succession, evaluation and compensation of the Chief Executive Officer, reviewing and making recommendation to the Board on matters relating to the compensation payable to the Chief Executive Officer's direct reports and the Corporation's succession plan for such direct reports, administering the Corporation's equity incentive plans and reviewing and making recommendations on matter related to the Corporation's human resource policies and practices. The Human Resources and Compensation Committee may retain third-party consultants to assist it with fulfilling its responsibilities.

The purpose of the Corporation's Sustainability, Environmental, Health and Safety Committee is to review and monitor the Corporations policies relating to sustainability, human rights, community contributions and security and to investigate any activity that relates to sustainability, including environment, corporate social responsibility, health and safety and security. The Sustainability, Environmental, Health and Safety Committee meets at least twice a year and is responsible for, among other things, reviewing, monitoring and revising the Corporation's policies relating to sustainability, human rights, community contributions and security and assisting management in developing short and long term standards to ensure that the principles set out in such policies are being adhered to, reviewing and monitoring the environmental, corporate social responsibility, safety and health, and security performance of the Corporation on behalf of the Board and reviewing issues and incidents regarding such matters to determine, on behalf of the Board, if management is taking appropriate action in respect of such matters, reviewing and monitoring management's activities to ensure that principal risks and opportunities related to environmental, corporate social responsibility, safety and health, and security matters are identified and sufficient resources are allocated to address such risks and opportunities, making periodic visits to corporate locations in order to familiarize itself with the nature of the Corporation operations and review relevant objectives, procedures and performance with respect to the environment, corporate social responsibility, safety and health, and security and to investigate any extraordinary negative environmental, corporate social responsibility, safety and health, and security performance where appropriate.

Oversight and Description of Director and Named Executive Officer Compensation

Compensation of Directors

Previously, the Board, through discussions without any formal objectives, criteria or analysis, was responsible for determining and approving all forms of compensation to be granted to the directors of the Corporation. While no formal compensation program or benchmarking were established given the size and stage of the Corporation, the Board determined the level of compensation for directors after consideration of various relevant factors, including the expected nature and quantity of the duties and responsibilities of the directors, past performance of the Corporation, the availability of financial and other resources of the Corporation, and, despite no formal peer group or benchmarking having been established, a review of the compensation paid to directors by other issuers of comparable size and stage of development in the oil and gas industry.

During the 15-month period ended March 31, 2023, the Corporation, in considering the size, scope, risks and complexity of its business, and the need to attract and retain directors, migrated to a more formal cash compensation program for directors. While the Board is still responsible for determining and approving all forms of compensation to be granted to the directors of the Corporation, and continues to take into account the expected nature and quantity of the duties and responsibilities of the directors, past performance of the Corporation and the availability of financial and other resources of the Corporation when determining director compensation, the Board now, following the recommendation of a third-party consultant, aims to benchmark total cash compensation paid to directors to the median of a select peer group (the "**ReconAfrica Director Peer Group**").

The Board continues to evaluate the ReconAfrica Director Peer Group to ensure it is an appropriate peer group comprised of Canadian and international oil and gas companies of similar size and stage of development to that of the Corporation, against which the Corporation can benchmark the cash compensation it pays to its directors.

Director Annual Retainer Fees

Based on the results of the third party consultant's review of the ReconAfrica Director Peer Group, and the recommendation of such third party consultant, during the 15-month period ended March 31, 2023, the Board approved a retainer-only director cash compensation program (the "**Directors' Compensation**"), which does not provide fees for attendance at Board or committee meetings (though does provide for reimbursement for out-of-pocket expenses for attending such meetings). In addition, so as to align total cash compensation paid to directors to the median of the ReconAfrica Director Peer Group, assist the Board in retaining directors (considering the size, scope, risks and complexity of the Corporation's business), and compensate the directors for the additional responsibilities and time commitment required by such directors in connection with their acting in their applicable roles on the Board and its committees, the Board also determined to increase the annual retainer fee to be received by the directors and to provide additional

retainer fees for the Chair of the Board, the Lead Director and the chair and members of the Corporation's standing committees, all as set out below.

Role Compensation	Amount
Director Retainer	US\$85,000
Board Chair Additional Retainer	US\$80,000
Lead Director Additional Retainer	US\$35,000
Audit Committee Chair Retainer	US\$25,000
Non-Audit Committee Chair Retainer	US\$20,000
Audit Committee Member Retainer	US\$15,000
Non-Audit Committee Member Retainer	US\$10,000

Subsequent to the financial year ended March 31, 2023, and in the context of the market and other relevant factors, the Board approved the suspension of the Directors' Compensation until further notice.

Long-Term Incentives

In addition to annual retainer fees, long-term incentives in the form of Options are granted to directors from time to time, based on an existing complement of long-term incentives, corporate performance and to be competitive with other companies of similar size and scope, including the ReconAfrica Director Peer Group.

Bonus

In addition to annual retainer fees and long-term incentives, the Board may, from to time, provide for the grant of discretionary cash bonuses to its non-independent directors, payable in cash, in recognition of such directors' contributions to the achievement of the Corporation's corporate objectives. However, the Board does not have a formal program pursuant to which it provides for the grant of annual or regular cash bonuses to its non-independent directors. The Board does not grant discretionary cash bonuses to its independent members. Instead, independent directors are compensated solely with the annual retainers fees described above and the grant of long-term incentives in the form of Options.

Compensation of NEOs

The Board is responsible for reviewing and approving the Human Resources and Compensation Committee's recommendations regarding compensation to be paid to the CEO, and for reviewing and approving the CEO's and the Human Resources and Compensation Committee's recommendations regarding compensation of the other executive officers of the Corporation, to ensure such arrangements reflect the responsibilities and risks associated with each position.

The key objectives of the Corporation's executive compensation program are: (i) recruiting and retaining executives critical to the success of the Corporation and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and the Corporation's shareholders; and (iv) rewarding performance, both on an individual basis and with respect to operations in general. In order to achieve these objectives, the compensation paid to NEOs consists of base salary, bonus and/or long-term incentives in the form of Options, as set out below.

The Corporation's executive compensation program is designed to retain, encourage, compensate and reward executives on the basis of individual and corporate performance, both in the short- and the long-term. The executive compensation program is comprised of base salaries and bonuses, to enable the Corporation to compete for and retain executives critical to the Corporation's long-term success, and share ownership opportunities through the grant of Options, to align the interests of executive officers with the longer term interests of shareholders.

Previously, in determining specific compensation amounts for executive officers, the Board considered factors such as experience, individual performance, length of service, contribution towards the achievement of corporate objectives and positive exploration and development results, stock price and compensation compared to other employment opportunities for executive officers.

During the financial year ended March 31, 2023, the Corporation, in considering the size, scope, risks and complexity of its business, and the need to attract and retain executive officers, migrated to a more formal cash compensation program for executive directors. While the Board is still responsible for reviewing and approving the Human Resources and Compensation Committee's recommendation regarding compensation to be paid to the CEO, and for reviewing and approving the CEO's and the Human Resources and Compensation Committee's recommendations regarding compensation of the other executive officers

of the Corporation, and continues to take factors such as experience, individual performance, length of service, contributions towards the achievement of corporate objectives and positive exploration and development results, stock price and compensation compared to other employment opportunities for executive officers into account when determining executive officer compensation, the Board now, following the recommendation of a third-party consultant, aims to benchmark total cash compensation (base salaries and bonuses) paid to executive officers to the median of a selected group of companies (the “**ReconAfrica Executive Officer Peer Group**”).

The Board believes that the ReconAfrica Executive Officer Peer Group is an appropriate peer group against which the Corporation can benchmark the cash component of its executive officer compensation, as it is comprised of Canadian and international oil and gas companies of similar size and stage of development to that of the Corporation.

Elements of Executive Officer Compensation

Base Salary

The Corporation’s executive officer’s each receive base salaries paid as either fees or salaries pursuant to either consulting agreements or employment agreements. The Board reviews these salaries annually to ensure that they reflect each respective executive officer’s responsibilities, performance and experience in fulfilling his or her role. While the Board previously, in determining and approving the base salary for each executive officer, took into consideration available market data for other companies of a similar size and nature (despite a specific benchmark not being targeted nor a formal peer group being established), the Board now, in determining and approving the base salary for each executive officer, aims to align the base salary for each executive officer to the median of the ReconAfrica Executive Officer Peer Group.

Bonus

The Corporation’s executive officers are eligible to receive a bonus, payable in cash.

Previously, in determining whether to grant an annual bonus to an executive officer and, if so, the amount of such grant, the Board reviewed each executive officer’s responsibilities, performance, experience in fulfilling their role and respective contributions to the Corporation’s success, while also taking into account the financial and operating performance of the Corporation. The base salary and Options granted to an executive officer, along with overall compensation as a whole, were also previously considered when the Board determined and approved annual bonus grants, along with the annual bonuses granted to officers of other publicly-traded companies that were involved in the oil and gas industry or of a comparable size to that of the Corporation in respect of assets (despite a specific benchmark not being targeted nor a formal peer group being established).

Old Bonus Plan

During the financial year ended December 31, 2021, the Corporation, decided to replace its previous, informal practice of granting discretionary bonuses (the “**Old Bonus Program**”) and adopt a formal bonus program, designed to reward the Corporation’s executive officers, senior management and employees for their contributions to the Corporation’s success.

Pursuant to the Old Bonus Program, the Board, on the recommendation of the Human Resources and Compensation Committee, would set an annual target bonus amount for each executive officer (the “**Old Annual Target Bonus Amount**”), which such Old Annual Target Bonus Amount was aligned to the median of the ReconAfrica Executive Officer Peer Group for the applicable executive officer. Payment of 10% of the Old Annual Target Bonus Amount was guaranteed and payable quarterly (the “**Guaranteed Portion**”), while the remaining 90% of the Old Annual Target Bonus Amount (the “**Incentive Portion**”) would be paid at the end of the applicable financial year based on whether certain corporate and individual performance metrics were achieved. The corporate performance metrics would be proposed by the CEO for approval by the Board, while the individual performance metrics would be proposed by the CEO (for all executive officer other than the CEO) for approval by the Board, while the Board would determine the individual performance metrics applicable to the CEO.

Following the adoption of the Old Bonus Plan, the Board, following the recommendation of a third party consultant and the Human Resources and Compensation Committee, decided, for the remainder of the financial year, to replace the Incentive Portion of the Old Bonus Plan with a new short term incentive program (the “**STIP**”) which is designed to reward the Corporation’s executive officers, senior management and employees for maximizing the Corporation’s overall annual performance and to align the short term

cash incentives payable by the Corporation to the median of the ReconAfrica Executive Officer Peer Group. The Board also determined that, for the 2022 financial year, the Old Bonus Plan would be replaced in its entirety by the STIP, such that, going forward, the STIP will be the only plan pursuant to which bonuses will be paid to executive officers, senior management and employees of the Corporation.

STIP

On January 24, 2022, the Board approved the adoption of the STIP. Pursuant to the STIP, two factors are now considered when determining short-term incentive awards for executive officers: (i) the assessment of corporate performance against a specific set of performance criteria; and (ii) the assessment of individual performance achievements. The STIP includes both objective and subjective criteria.

Pursuant to the STIP, for a particular year, the value of each executive officer's short-term incentive target (the "**Target STIP Award**") is set out as a percentage of each executive officer's base salary (the "**STIP Target**") and reflects the significance of each executive officer's position and level of responsibility, as determined by the Board. For the financial year ended March 31, 2023, the STIP Targets for the CEO and other executive officers, including the CFO, were 100% of base salary and 50% of base salary, respectively. The amount of an executive officer's short-term incentive award payment for a particular year will then be determined by multiplying the Target STIP Award by the applicable combined corporate and individual performance score for that particular executive officer. For the CEO, the combined corporate and individual performance score is weighted 100% to corporate performance, with zero weighting for individual performance. For the Chief Financial Officer and other executive officers, the combined corporate and individual performance score is weighted 90% to corporate performance and 10% to individual performance. This weighting of the combined corporate and individual performance score has been designed as the objective with respect to STIP is to primarily reward individuals in recognition of corporate performance (or, in the case of the CEO, entirely on corporate performance), while also recognizing that, for all executive officers other than the CEO, recognition of their individual performance should also be taken into account.

The CEO will determine whether the respective corporate and individual objectives have been achieved and the Human Resources and Compensation Committee will review the evaluation and make short-term incentive payout recommendations to the Board for its final approval. Achieving predetermined individual and/or corporate targets and objectives, as applicable, as well as general performance in day-to-day corporate activities, will trigger the award of a bonus payment to executive officers. Executive officers will receive a partial or full incentive payment depending on the number of the predetermined targets met and the Human Resources and Compensation Committee's and Board's assessment of overall performance. Although based on the recommendation of the CEO and the Human Resources and Compensation Committee, the determination as to whether a target has been met is ultimately made by the Board and the Board reserves the right to make positive or negative adjustments to any bonus payment if they consider them to be appropriate. Short-term incentive awards pursuant to the STIP for an executive officer for any one year are capped at 150% of the Target STIP Award.

Corporate Performance

Corporate performance is based on targets for specific objective measures. At the beginning of a financial year the CEO will determine the corporate performance objectives, and the Board, on the recommendation of the Human Resources and Compensation Committee, approves the proposed corporate scorecard. Actual performance of each objective is assessed at the end of the year and a representative percentage score is determined (the "**Corporate Performance Score**") by the CEO. The CEO will make a recommendation to the Human Resources and Compensation Committee as to the quantum of the Corporate Performance Score, which recommendation will be reviewed and assessed by the Human Resources and Compensation Committee, and the Corporate Performance Score will then be approved or modified by the Human Resources and Compensation Committee in its sole discretion. The Human Resources and Compensation Committee will, in turn, make a recommendation to the Board as to the quantum of the Corporate Performance Score for the Board's final approval. The Board has the flexibility to exercise discretion to modify the final score.

In the financial year ended March 31, 2023, the corporate performance targets comprising the Corporate Performance Score for short-term incentive awards were allocated as follows:

Target	Weight	Percentage of Target Achieved
Overall Corporate Performance ⁽¹⁾	100%	Substantially Achieved
Corporate Performance Score	100%	90%

(1) The overall corporate performance target is a holistic measure that consists of the both the Corporation's operational goals and its environmental, social and governance ("ESG") goals in a given financial year. The purpose of the overall corporate performance target is to tie short-term incentives to overall corporate performance in a given financial year.

Individual Performance

Individual performance is based on both quantitative measures and qualitative strategic and operational considerations related to each executive officer's role in the Corporation (other than the CEO). Short-term incentive compensation based on individual performance is based on two components: (i) the individual's performance rating based on their "individual performance scorecard", and (ii) their position's salary grade.

Individual performance ratings are based on various metrics of objective criteria established at the start of a financial year, which criteria are closely aligned with the Corporation's corporate performance targets and are designed to support achievement of such targets, together with a subjective assessment (for all executive officers except for the CEO) by the CEO of that executive officer's achievement of personal business-oriented goals such as percentage completion of all personal annual management objectives, specific key role accountabilities, and overall contribution to the Corporation's strategic growth.

After assessing the Corporation's corporate performance targets as well as each individual executive officer's individual performance rating (other than the CEO), including assessing the achievement of each executive officer's objective criteria and personal business-oriented goals, the Board, at the recommendation of the CEO and the Human Resources and Compensation Committee in respect of each executive officer (other than the CEO), approved an individual performance score of 100% for each executive officer, including the CFO. The consistent scoring across each executive officer was intended by the Board to reflect and incentivize the team-based approach and concerted effort required at the executive level to achieve the Corporation corporate performance goals.

STIP Payouts

No short-term incentive payouts were awarded for the financial year ended March 31, 2023.

Long-Term Incentives

Long-term incentives are performance-based grants of Options. The Board, on the recommendation of the Human Resources and Compensation Committee, in respect of the CEO, and on the recommendations of the CEO and the Human Resources and Compensation Committee, in respect of all other executive officers, approves the number of Options to be granted to the Corporation's executive officers.

In establishing the number of Options to be granted to the Corporation's executive officers, the CEO, the Human Resources and Compensation Committee and the Board, as applicable, would previously reference the number of stock options granted to officers of other publicly-traded companies that, similar to the Corporation, are involved in the oil and gas industry, as well as those of other publicly-traded Canadian companies of a comparable size to that of the Corporation in respect of assets (despite a specific benchmark not being targeted nor a formal peer group being established). The CEO, the Human Resources and Compensation Committee and the Board, as applicable, would also consider previous grants of Options and the overall number of Options that were outstanding relative to the number of outstanding Common Shares in determining whether to make any new grants of Options and the size and terms of any such grants, as well as the level of effort, time, responsibility, ability, experience and level of commitment of the executive officers in determining the level of Option compensation. Now, in determining the number of Options to be granted to executive officer's, the CEO, the Human Resources and Compensation Committee and the Board, as applicable, in addition to the aforementioned factors, aims to align the value of Options to be granted to executive officers to the median of the ReconAfrica Executive Officer Peer Group.

Pension Disclosure

No pension, retirement or deferred compensation plans, including defined contribution plans, have been
