## **RECONAFRICA ANNOUNCES COMPLETION OF C\$47.5 MILLION BOUGHT DEAL OFFERING**

March 1, 2022, Vancouver, British Columbia, Canada – Reconnaissance Energy Africa Ltd. (the “Company” or “ReconAfrica”) (TSXV: RECO) (OTCQX: RECAF) (Frankfurt: 0XD) is pleased to announce that it has completed its previously announced bought deal offering (the “Offering”) of units (the “Units”) for gross proceeds of C\$47,466,250, including the full exercise of the over-allotment option in the amount of C\$6,191,250. The Offering was completed by way of a short form prospectus filed in all of the provinces of Canada, except Québec, and the Units were sold outside of Canada on a private placement basis.

Pursuant to the Offering, a total of 7,475,000 Units were sold at a price of C\$6.35 per Unit. Each Unit consists of one common share in the capital of the Company (each, a “Common Share”) and one common share purchase warrant (each, a “Warrant”). Each Warrant entitles the holder to acquire one Common Share at a price of C\$9.00 until October 31, 2022. In the event that the moving volume weighted average trading price of the Common Shares on the TSX Venture Exchange over any period of 20 consecutive trading days equals or exceeds C\$14.00, the Company may, upon written notice to the holders of the Warrants, accelerate the expiry date of the Warrants to the date that is 30 calendar days following the date of such notice.

The Offering was made through Canaccord Genuity Corp. (the “Underwriter”). The Underwriter received a cash commission equal to 6.0% of the gross proceeds of the Offering (other than from the sale of Units to purchasers on the president’s list, for which a 3.0% cash commission was paid). In addition, the Underwriter was issued 446,610 compensation options, equal to 6.0% of the number of Units sold under the Offering (other than with respect to those sold to purchasers on the president’s list, for which no compensation options were issued) (the “Compensation Options”). Each Compensation Option entitles the holder to acquire one Unit at a price of C\$6.35 until October 31, 2022. As additional compensation, the Underwriter was issued 19,685 Units as a corporate finance fee.

The net proceeds from the Offering will be used for drilling and seismic operations in the Kavango sedimentary basin, as well as for working capital and general corporate purposes as outlined in the Company’s final short form prospectus dated February 24, 2022.
